

**Application for Parish Subsidy**  
for  
Catholic Central Elementary  
Catholic Central Junior High

The parishioners of St. Mary Church in Urbana and the parishioners of Sacred Heart Church in St. Paris will contribute to the cost of a child's education at Catholic Central School (**Elementary & Junior High**) if the following requirements are met:

1. The family is **registered** at the parish;
2. The child and parents regularly attend Mass on Sundays and Holydays; and that is verified by their depositing **contribution envelopes** in the collection basket (even if the envelope contains no donation on a given Sunday!);
3. The family donates on average **\$20. per week** in the Sunday collection (a minimum of \$1000. annually), or else meets with the Pastor to explain their inability to do that, and then works out another agreement;
4. The family contributes a reasonable amount of **"time and talent"** to the parish community (at liturgy, and/or at parish programs & events).

I agree to the requirements stated above, and thus am requesting parish funds to assist with the cost of my child's education.
